Notice of Discontinuation of Production

Dear Valued Customer,

We would like to express our sincere appreciation for your continued patronage and support.

This is to inform you that production of the products listed in the attached document, which have long been favored by our customers, will be discontinued as of August 1, 2026.
We sincerely apologize for any inconvenience this may cause and kindly ask for your understanding regarding this matter.

Please note that the products will remain available for purchase while supplies last.
For inquiries or orders, please kindly contact your authorized distributor.

NS TOOL will remain committed to developing attractive new products and further improving the quality and services of our existing product lineup. We look forward to your continued support and patronage.

Sincerely,

NS
TOOL

Attached Document
